"Rosemary Español Inducted into FDU PINNACLE Society"

Philadelphia, PA, June 9, 2010

On June 4, 2010, Rosemary Español, President of IEI Group, was inducted into Fairleigh Dickinson University's "The PINNACLE Society," the highest award the school bestows upon its alumni. This award is reserved for a select few who have achieved the highest possible level of performance – the pinnacle – in their respective pursuits.

The PINNACLE was introduced by Fairleigh Dickinson University in 1989 to formally recognize and acknowledge the contributions and achievements of its most distinguished alumni. The annual class of The PINNACLE is chosen by past inductees, based on the following criteria: success or distinction in one's chosen field of endeavor; significant contributions to society and humanity through public or humanitarian service; and outstanding service to the University or reflection of the unique character of FDU in one's life.

Rosemary joins an impressive and prestigious group of people who've been inducted into the PINNACLE. Including the 5 inductees from this year, there are currently only a select 123 honored recipients to date.

The other 2010 PINNACLE inductees include:

- Brenda Blackmon, Co-Anchor at My9, WWOR-TV
- David E. Knee, Managing Director at Jones Lang LaSalle Americas, Inc.
- Myles H. Malman, Esq., Managing Director at Malman, Malman & Rosenthal
- Zygmunt "Zygi" Wilf, Chairman of Minnesota Vikings

IEI provides architectural, design, and project management services and is headquartered in Philadelphia, offering a full range of professional services and facility solutions.
